

Productivity Cubed: Maximizing Human Potential

Umar Hameed works with organizations who want their employees to breakthrough their self-imposed limitations and become much more productive and profitable.

Umar Hameed brings high impact tools and strategies like Neuro-Linguistic Programming (NLP) into his presentations and workshops. His audience gets to experience the power of these life and career enhancing tools during the presentation. Experiencing the positive (life changing) results first-hand they can comfortably start utilizing these tools in their personal and professional lives.

What clients are saying

"Thank you for your outstanding presentation. Your model of how we can use beliefs to drive our behavior was exciting. I would not hesitate to recommend you to any group or organizations seeking to understand and change Institutionalized behaviors and cultures."

Nancy Minieri
President
Leadership Maryland

"Your outstanding abilities were evidenced by how you captivated our audience of 230 employees with your message of change. I am confident the NLP tools and your effective communication of NLP will have an on-going impact on our employees and the fulfillment of the Department of Aging Mission."

Arnold Eppel
Director
Department Of Aging

"Thank you for doing an excellent job you have a very personable style that really connected with the participants and you made the learning fun and meaningful. Several agents who have already used the skills and closed deals that they otherwise would have lost. Once again, thank you for delivering an excellent presentation and know that we shall be using your service again."

Alice Burch
Sr. Vice President
Long and Foster
